The City of Arcadia and project applicant are holding a Community Meeting on a proposed development at 12321 Lower Azusa Road within the City of Arcadia (just east of the El Monte City Limits). The project proposes 1.68 million square feet of warehouse, light industrial and ancillary office on the 82 acre site. This meeting is a follow up to an earlier community meeting held in May 2015. At this meeting, El Monte residents will have an opportunity to ask questions and provide comments on the proposed project and draft Environmental Impact Report (EIR).
